RE: Update 11, **2020-21 Adjustments to Sports Seasons due to Covid-19 Pandemic**

Owing to the covid-19 pandemic and the resultant challenges faced by NIAA member schools, the NIAA has made the following adjustments to sports seasons for the 2020-21 school year. Specific schedules for leagues and/or regions within the framework below will be created and implemented by the leagues and/or regions in each sport. Several options were reviewed. The NIAA staff, acting under authority granted by the NIAA Board of Control, is issuing these adjustments which are effective immediately. The adjustments were reviewed by and have unanimous support of the NIAA Legislative Commission which is made up of the superintendents of each Nevada school district with an NIAA member high school. The NIAA staff consulted closely with northern and southern league/region presidents of each of the classifications in crafting the adjustments.
