

SPRING CREEK HIGH SCHOOL

SPARTANS COMMITTED TO HIGH EXPECTATIONS IN A SAFE LEARNING ENVIRONMENT

Shaun Taylor, Principal

Paul Allen, Athletics & Vice Principal

Sean Stanton, Vice Principal

Good afternoon Spartan Families,

I want to pass along a few updates, Elko County School District has multiple on-line resources posted on the district website for at home learning opportunities. If your family is unable to access internet content please call the school starting Monday to schedule a paper pick-up of at home learning opportunities. As of right now none of the materials are required or will be collected for a grade, they are merely resources to keep students at present levels of learning and to continue building their skills. Spring Creek office hours for pick-up will be 7-12, Monday-Friday. School phone number:753-5575.

We are also attempting to collect data on our families in case of an extended closure. We have attached a survey link on our school website and in this email. Please fill out one per family, again if internet is not option please call the school starting on Monday between the hours of 7-12 to complete the survey over the phone. We need student name, grade level, internet access at home, device access at home. Thank you for working with us during the closure and if you have any questions please contact the school.
